GC4910/10

Carefree ironing, no setting required

Ironing perfected

Iron any ironable garment from silk, to linen, to cotton, to cashmere, in any order, without adjusting the temperature. PerfectCare Azur delivers perfect results without the risk of burn or shine. Ironing is now simpler than ever.

One perfect setting for all your clothes

- OptimalTemp technology: perfect combination of temperature
- 100% safe on all ironable garments
- 100% fast on all fabrics; no other steam iron is faster
- 100% easy to use, no adjustment required
- Tested and approved by independent textile experts

Comfortable ironing

- SteamGlide Plus: perfect mix of gliding and stretching
- Suitable for tap water with Double Active Calc Clean system
- Iron switches off automatically when left unattended
- Quattro Precision Tip for easy reach in tricky areas
- Iron with smart light feedback indicator

Fast and powerful ironing

- 2400 W iron for fast heat up and powerful performance
- Steam output of up to 45 g/min for better crease removal

PHILIPS

Steam iron with OptimalTemp technology and SteamGlide Plus soleplate
Safe on all ironable garments 45 g/min; 180 g steam boost, SteamGlide Plus Soleplate, Iron Safety Auto off

GC4910/10

Highlights

OptimalTemp technology

Optimal Temp technology is the only technology which maintains the perfect combination of temperature and steam so you no longer need to adjust the temperature when ironing different fabrics. The perfect combination of steam and temperature is ensured because: 1) Smart Control Processor sets the right temperature 2) HeatFlow technology enables an even steam and temperature balance.

100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed excellent ironing results.

100% fast

100% fast to iron, no sorting required. Iron all your garments with more effective steam.

100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

Tested and approved by experts:

This iron is tested and approved by independent textile experts institutes.

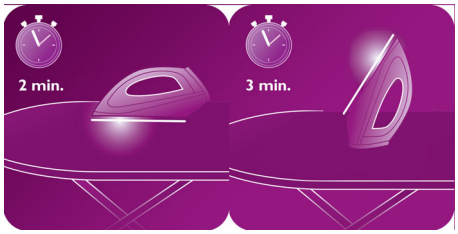
SteamGlide Plus soleplate

For the best results you need a soleplate that has the optimal balance between gliding and stretching. This is offered through SteamGlide Plus with its easy glide zone and perfect stretch zone.

Suitable for tap water

PerfectCare Azur steam iron is designed to be used with tap water. Double Active Calc Clean: A smart combination of Calc Pills and a regular Self Clean reduce the scale built-up. For better ironing results we recommend to use demineralised water. This ensures a consistent steam flow from your iron.

Safety auto off



The iron shuts off automatically when left unattended. If left on it's heelrest the steam iron will switch off in 3 minutes, when left resting on the soleplate it will take 2 minutes before the iron shuts off.

Specifications

Fast and powerful crease removal
- Soleplate: SteamGlide Plus
- OptimalTemp Technology
- Continuous steam output: Up to 45 g/min
- Steam boost: 180 g
- Power: 2400 W
- Spray

Easy to use
- Water tank capacity: 350 ml
- Drip stop
- Safety auto off
- Cord storage: Cord clip
- Cord freedom (swivel): 180 degree cord freedom
- Fast and easy filling
- Power cord length: 2.5 m

Sustainability
- Energy saving: 10% energy reduction

Calc management
- Suitable for tap water
- Calc clean solution: Double active calc clean

Technical specifications
- Weight of iron: 1.75 kg

Issue date 2014-03-30

Version: 8.1.1

EAN: 08 71010 36515 50
